

**Are you spending your Pupil Premium effectively?
Empowering Children to Discover their Genius is proven to
improve progress for struggling learners.**

Empowering Children to Discover their Genius (ECDG) is a six step program which uses Six Steps to Empowered Thinking; a foundation program which identifies potential barriers or hurdles to learning. The program is delivered over 6 weekly workshops (90 minutes), class of 30 children, covering a range of tools and activities that targets the mindset and begins to shift the way that they think about themselves and their abilities; proven to significantly improve the achievement of pupils who find learning difficult.

Easy to manage, deliver and sustain on completion of the six week program, staff will have the ability to run targeted 15-minute individual sessions to further empower pupil's attainment.

ECDG works out as little as **£75 per pupil** (including staff training), offering a **cost-effective way to use the Pupil Premium** to reach vulnerable / SEBD children, improve pupils' academic achievement, emotional / social wellbeing, build confidence, self esteem and shift the way that they think about themselves and their abilities.
